Contract for Signature – Performance Indicator Annex

Peer Review (In force 17 May 2006)

The quality of your Contract Work in any Category of Work, as determined by the Independent Peer Review process specified by us, is a Performance Indicator.

The quality of your Contract Work in any Category of Work must be either Rating 1, Rating 2 or Rating 3 as determined by that Independent Peer Review process.

If the quality of such Contract Work is Rating 4, as determined by that Independent Peer Review process, this is a breach of Contract.

If the quality of such Contract Work is Rating 5, as determined by that Independent Peer Review process, this is a Fundamental Breach.

The specified Independent Peer Review Process is that managed by the Institute of Advanced Legal Studies.

Immigration and Asylum (In force 02 October 2006)

Your Contract Work success rate at the Asylum and Immigration Tribunal (AIT) is a Performance Indicator. It must equal or exceed all the following levels of performance:

- Overall success rate of 40% in Immigration and Asylum cases where the Commission funds representation at the AIT
- Success rate of 35% in Immigration cases where the Commission funds representation at the AIT
- Success rate of 35% in Asylum cases where the Commission funds representation at the AIT

You must report the outcomes of such cases promptly (see Clause 3.2 Contract Standard Terms). We reserve the right to take delayed reports into account. Repeated misreporting or late reporting is a Fundamental Breach. We will measure your performance by looking at their outcomes between each 1 April (or, if later, from the date this Performance Indicator comes into effect) and the following 31 March.
