

Legal Aid: a sustainable future

TFF replacement data

September 2006

A note on the data

This data on civil legal aid cases supports the proposals in the consultation paper *Legal Aid: a sustainable future*.

All the data is for the most recent financial year 2005/06, and is shown exclusive of VAT.

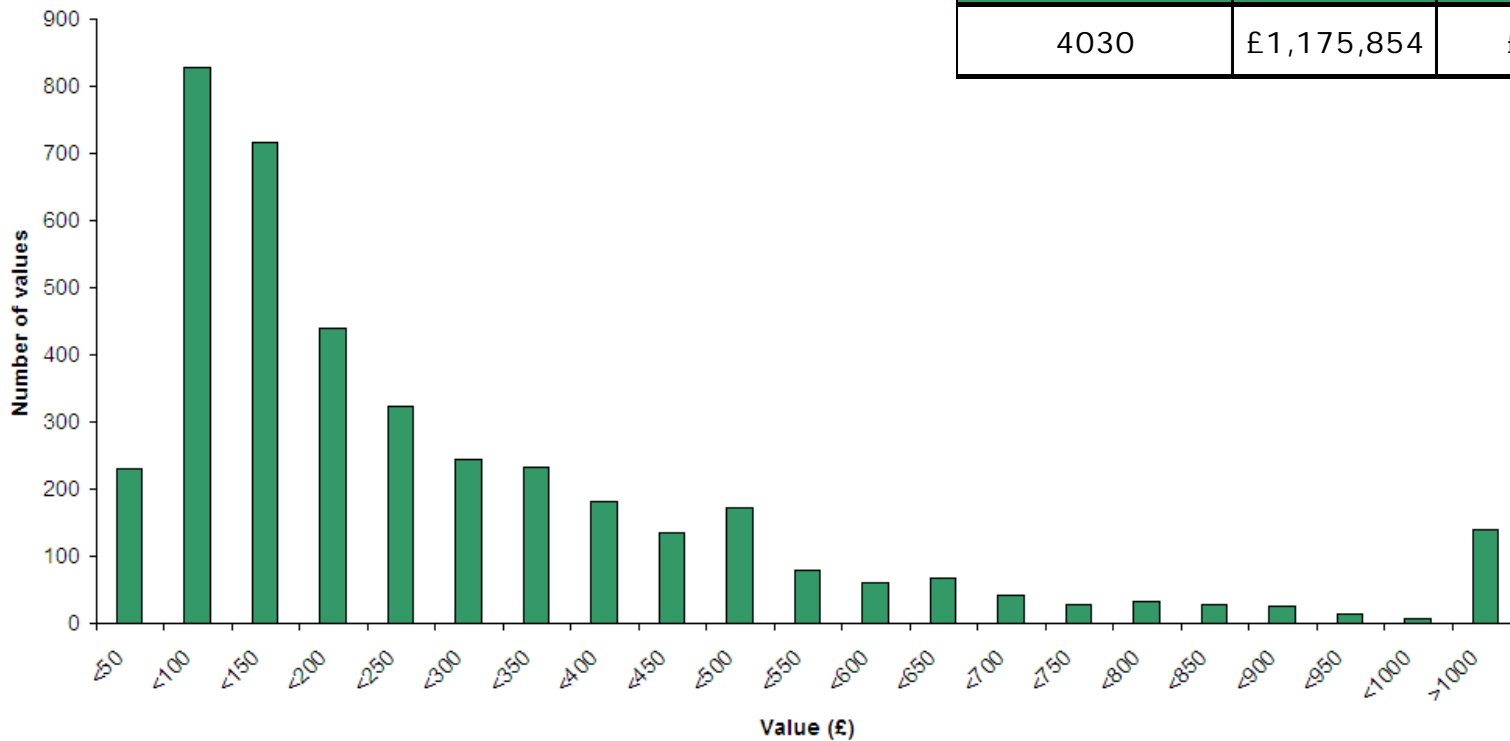

Case costs are claimed costs excluding counsel and disbursements. The data includes cases that would be designated exceptional under the proposed scheme.

The proposed TFF Replacement national fee is shown for each category for ease of comparison.
