General assumptions:

1. The categories marked with asterisks (MAT & MHE) are not included in the TFF Replacement Scheme. For the purpose of the presentation of this data, the average distance is calculated inclusive of cases done in MAT and MHE, but are largely representative and reflects the average distance for the categories of law in the TFF Replacement Scheme.
2. All but for "White British", "White Irish", "White Other" and "Unknown" ethnic origins are categorised as BME clients.
