

LSC Mentoring Scheme

Starting a training contract can involve a mix of emotions...excitement, combined with uncertainty about what to expect. Which is why we have set up the LSC Mentoring Scheme, putting you in touch with a trainee already some way through their training contract. They will be able to provide support, answer questions, and share their experiences with you.

You will be put in touch with a mentor who is as close as possible geographically to where you are based. Your mentor will send you an initial email. It is then up to the two of you whether you only exchange emails, speak to each other on the phone, or meet up in person. It's also your decision how frequently you have contact with each other.

Yes! I would like to be put in touch with a mentor -
